

Dear Sir,

I hope you are doing well.

I am a student from the Data Science Department, and I have been assigned a task that requires me to visit and inspect the Automotive Department. This visit is intended for academic purposes to gain practical insights and broaden my understanding.

I assure you that I will adhere to all departmental rules and maintain proper discipline during the visit.

I kindly request you to grant me permission at your convenience.

Thank you for your time and consideration.

Sincerely,

Amaan Mohsin
